### FEATURED PROJECT

#### Branding & Website Design

My latest client, a green card interview consultant, required a website to launch his new business. This included a new logo and style guide to unify his new brand.

### COMPANY EXPERIENCE

#### Marketing Coordinator

##### Truebeck Construction – San Mateo, CA 11/2022 – 04/2025

Design and produce responses to Request for Qualifications and Business Proposals. Manage content, layout, proofreading, editing and overall QC. Lead team meetings and capture the proposal plan. Support and deliver various design components within department including logo design, illustrations, signage, photoshop support, presentations, event collateral, and prototype new company website.

#### Marketing Assistant

##### Dome Construction – South San Francisco, CA 01/2018 – 08/2018

Design resumes for corporate and field workers for business proposals, create web interactive email invitations for various events, and optimize imagery for company's inhouse Summary of Qualifications app.

#### Raster Production Artist

##### Aechelon Technology Inc – San Francisco, CA 02/2016 – 01/2018

Composite satellite imagery for military flight simulators by applying a variety of Photoshop skills for a seamless final product.

#### Junior Designer

##### Kendo Brands – San Francisco, CA 01/2016 – 02/2016

Organize and match PANTONE swatches in a shade bible for Marc Jacobs Beauty and Kat Von D, design charts and graphs for Ole Henriksen presentation, redesign face chart for Marc Jacobs Beauty, and design nail art concepts for in-house line.
